THE ORATORS AND POETS

OF

PHI BETA KAPPA, ALPHA OF MASSACHUSETTS,

WITH A

BIBLIOGRAPHICAL DESCRIPTION OF THOSE ORATIONS AND POEMS

WHICH ARE IN HARVARD COLLEGE LIBRARY.

By WILLIAM HOPKINS TILLINGHAST, *Assistant Librarian.*

. This list is based upon the record of orators and poets given in the Catalogue of the Harvard chapter of Phi Beta Kappa. The revision incident upon the preparation of a new edition of this Catalogue has shown that the indication of publication given in the edition of 1885 is not trustworthy; eight or ten more names have now been marked, but it is possible that other performances, unknown to the compiler, have appeared in print.

It will be seen that, in several cases, where publication is indicated, no copy has been found in the College Library. Anyone knowing of the existence of an oration or poem not recorded here will greatly oblige the compiler by informing him of the fact, whether the publication be in the form of a pamphlet, or an article in a periodical.

A star is affixed to the names of those orators and poets whose productions have been printed or published, when no copy of the performance has been found in the College Library.
